

Make my Spirit Fly

Do I need a reason to sing?
Do I need a when or a why?
A reason to help me take wing
To make my spirit fly
To make my spirit fly.

Do we need to wait till term has ended?
Wait till a broken leg is mended?
Till the deadline on our homework gets extended?
Doo-be-doo be-do-be-doo-wap da!
Doo-be-doo be-do-be-doo-wap da!
Who needs a when or why
To make my spirit fly!

Do we need to wait till Granny's better?
Wait till you find your fav'rite sweater?
Till that bossy teacher's left and we can all forget her?
Doo-be-doo be-do-be-doo-wap da!
Doo-be-doo be-do-be-doo-wap da!
Who needs a when or why
To make my spirit fly!

Sing your song whenever
Sing out loud night and day
Sing whatever the weather
Sing the things you cannot say

Do I need a reason to sing?
Do I need a when or a why?
A reason to help me take wing
To make my spirit fly
To make my spirit fly.

Do we need to wait till it is sunny?
Wait till a joke is really funny?
For a sandwich that is peanut butter, jam and honey?

(Spoken – two groups at the same time)

1. Peanut butter, peanut butter peanut butter, jam and honey

2. Jam and honey, jam and honey

Doo-be-doo be-do-be-doo-wap da!

Doo-be-doo be-do-be-doo-wap da!

Who needs a when or why

To make my spirit fly!

Make my spirit, make my spirit Fly!
